

Be A Christmas Hero 2025

THE
VETERANS
CHARITY

Registered Charity No. 1123149

Fundraise or donate to sponsor Christmas for a Veteran and their family who otherwise would not be celebrating due to dire hardship. Help us to be the difference!

Get together with friends, family or colleagues and become a sponsor of one of our special Christmas packages. Your kindness will literally deliver Christmas to a Veteran family in dire hardship!

Each package costs £250 and provides a huge 2-week family food shop as well as everything needed for a fabulous festive meal and a very special Christmas gift hamper packed with treats and gifts for the family.

"I was so relieved and so thankful, I cried like a baby when the hamper was delivered. Being able to have [my daughter] for Christmas and seeing the look on her face when she saw all the decorations and the food meant the absolute world to me."
